MAROBOODUS: A NOVEL OF GERMANIA (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. During the era of Augustus, there is a wild, untamed land far in the north, where no Roman sandal has yet trodden, and there Maroboodus, the son and adeling of a Goth lord Hulderic simmers with rage over the many injustices their family has to endure. Alliances get strained when high lords die, and old grudges will risk everything when the tribes should remain strong and united. In such a time, the troubled Maroboodus finds his patience and endurance sorely tested by another injustice after a victorious battle, and seeks to change the fortunes of their family, even against the wishes of his father, Hulderic. He does so by allying with their nemesis, hoping to grasp a high-born woman as his own and to bring glory to his name and family. Will the boldness...
