Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Survival Crafts: Learn To Make Own Weapons, Guns, and Knives, Store Your Prepping Pantry and Bunker, and Protect Your Property From Burglars Book 1: Wise Prepping: Important Things Every Beginner Prepper Needs And List Of Mistakes To Avoid This book is meant for different categories of people - those that have never faced disaster and would not know how to handle it if it happened; those that have witnessed disaster and felt all trapped and confused; and those who are conversant with prepping but who may wish to refresh their memory. Would you like to be that person who panics and gets everyone else around panicking when something unexpected happens? Remember you stand to get into more trouble when you panic than if you didn't. This is enough reason for you to make this guide a priority. It is a book with practical guidelines on how to begin prepping long before disaster happens, and it takes you along all the important stages of disaster preparedness, till the last minute when the best option is to bug out of your location. Book 2: Homemade Survival Weapons: 10 Badass DIY Weapons That Will Save Your Life When SHTF The ability to create a weapon from the materials that surround you is one of the reasons that humans have evolved above the other creatures on this planet. However, that same evolution has led to a variety of bad decisions which have put the world at risk of a global scale disaster. It can be argued that the effect of humans has caused global warming and the increase in dangerous storms; which have devastating consequences. In addition the balance of power across the world and the relative stability which...
